Staff will notice the parties of all continuances or rescheduling of hearings.

Effective January 4, 2021, the court transitioned to a Civil Direct Calendar system. Staff is still in the process of rescheduling civil matters and assigning civil cases to the Civil judges

listed in the Assignment Orders, filed October 15, 2020 and January 12, 2021, and posted on the court's website at www.sanmateocourt.org.

The reduction of these calendars, as well as suspension of LPS and civil jury trials, will allow the court to operate with fewer staff and, therefore, reduce social interaction with the public. Court management has implemented a plan for limiting staff presence at the courthouse to only those essential to maintain the operation of the calendars listed above.

Clerk's Offices

Due to the increase in COVID-19 cases, the Redwood City and South San Francisco Clerk's Offices are closed to the public. Exceptions: The Redwood City Clerk's Offices will continue to process emergency ex parte matters, domestic violence, elder/dependent adult abuse and civil temporary restraining order petitions and civil ex parte matters. The Clerk's Offices' drop boxes are open for permitted filings.

We thank you for your patience, cooperation and understanding as we attempt to safely work our way through this COVID-19 pandemic.
