1.0 INTRODUCTION AND BACKGROUND

The Superior Court of California, County of San Mateo, hereinafter “Court,” is soliciting a proposal from a highly qualified company or individual, hereinafter “Contractor” to provide criminal justice data integration consulting and data integration technical services according to the specifications stated herein.

The San Mateo Superior Court is in the midst of a project to implement a new, contractor-created case management system (CMS) for its criminal and juvenile delinquency case types. The selected vendor and software is Tyler Technologies Odyssey case management software. The implementation of the criminal and juvenile delinquency case types are expected to be completed by November 2015.

The Court’s current criminal CMS is a county-hosted CJIS system. Each of the CJIS justice partners (Sheriff’s Office, District Attorney’s Office and the Probation Department) who use CJIS as their criminal CMS are planning, or have already, migrated away from the centralized CJIS CMS to their own line-of-business applications.

The San Mateo County criminal justice community places a high value on the sharing of data across the justice partners. To that end, the criminal justice partners and the County ISD department have initiated a project called Criminal Justice Integration, hereinafter “CJI”. There are two main phases to the overall CJI project, Phase A-to-B is primarily focused on system-to-system integrations between the new case management systems and the existing CJIS system (temporary until CJIS is decommissioned). Phase B-to-C is focused on developing a unified portal that can aggregate data across the new CMS’ as well as managing a unique party identifier across the new CMS’. For Phase A-to-B, a system integrator firm has been selected and has been working on the project for the past two years. SoftwareAG WebMethods is the technical platform chosen for Phase A-to-B.

The current state for each partner is as follows. The Sheriff’s Office migrated from CJIS to ATIMS in June 2014. The Sheriff’s Office data is integrated through the WebMethods data broker into the new District Attorney system and back into CJIS so that the Court and Probation can continue to function within CJIS.

The District Attorney’s office migrated from CJIS to PbK by Karpel in March 2015. The District Attorney’s data is integrated with the Sheriff’s Office ATIMS system and back into CJIS through the WebMethods data broker so that the Court and Probation can continue to function within CJIS.

The Court is scheduled to go-live with Tyler Odyssey in November 2015. A requirement for the Court go-live is for the Court to integrate data to/from the WebMethods data broker to the other justice partner’s new systems. The Court will not integrate data into CJIS after its Odyssey go-live.

The Probation Department is an inquiry-only user of CJIS and is planning to migrate to its new CMS, Capita in 2016.

Requested Scope of Services:

Under direction from the Superior Court Director of Information Technology, the San Mateo Superior Court is seeking a qualified vendor that will provide:

1. Integration consulting expertise to leverage the existing Tyler Integration Toolkit consisting of application programming interfaces (APIs) and Configurable Integration Publishing (CIP) functionality to integrate data to and from the Tyler Odyssey CMS to the CJI data broker. The selected Vendor will be provided access to Tyler documentation for the data integration functionality
2. Consulting and technical services to potentially translate Tyler’s IXML format to the NIEM (National Information Exchange Model) format used by the CJI project and vice versa. In conjunction with Court IT staff, the selected Contractor will work directly with County ISD CJI staff, technical staff from County contracted system integration firm, and business and technical staff from the Court’s justice partners and their CMS vendors to understand and implement the integrations.

3. Analyze and revise Exchange Information Documents (EIDs) that exist for the Phase A-to-B integrations to and from CJIS. Working in conjunction with the CJIS teams, some of these EIDs will need to be reworked to account for new business processes within the new CMS'.

The most qualified vendor must have a high level of technical skills combined with a high-level of understanding of criminal justice business flows and what data is exchanged between justice partners.

This RFP contains a more detailed description of the scope of services in Exhibit A-1. The prospective vendor must also be able to comply with the Court's general terms and conditions of the Court's contract and is a necessary qualification to become the successful vendor (Attachment B). Proposer's submission of a Proposal for this service will be considered Proposer's agreement to comply with the specifications in this RFP and the terms and conditions as stated herein in the proposed contract that is included in this Request for Proposal. The project will be performed in phases designated by the Court that will take place over a span of the next 6 months until go-live for both Odyssey and the CJI Portal and then 1-2 months after go-live for on-going support and maintenance. The project is contingent on ongoing funding. The Court estimates it has funding for approximately 750-1000 hours of data integration consulting.

If prior to an award, a Proposer discovers a mistake in their proposal that renders the Proposer unwilling to perform under any resulting contract, the Proposer must immediately notify the Court in writing and request to withdraw the proposal. It will be in the Court's discretion as to whether withdrawal will be permitted.

The evaluation will be based upon the criteria listed in 9.3 below, listed in order of descending priority. Although some factors are weighted more than others, all are considered necessary, and a proposal must be technically acceptable in each area to be eligible for award. 11.1 Any protests will be handled in accordance with Chapter 7 of the Judicial Branch Contract Manual (see www.courts.ca.gov/documents/jbcl-manual.pdf). Failure of a Proposer to comply with the protest procedures set forth in that chapter will render a protest inadequate and non-responsive, and will result in rejection of the protest. All protests should be sent to:

Failure to comply with other requirements within the set time constitutes failure to execute the contract. If the successful Proposer refuses or fails to execute the contract, the Court may award the contract to the next qualified Proposer.

The Court reserves the right to reject any and all proposals, in whole or in part, as well as the right to issue similar Request for Proposals in the future. Contractor has notified in writing each labor organization with which Contractor has a collective bargaining or other agreement of Contractor’s obligations of non-discrimination.
- (M) *Special Provisions regarding Domestic Partners, Spouses, and Gender Discrimination.* If this Agreement provides for total Compensation of more than \$100,000, Contractor is in compliance with Public Contract Code section 10295.3, which, subject to specified exceptions, generally

prohibits discrimination in the provision of benefits between employees with spouses and employees with domestic partners, or discriminates between employees with spouses or domestic partners of a different sex and employees with spouses or domestic partners of the same sex, or discriminates between same-sex and different-sex domestic partners of employees or between same-sex and different-sex spouses of employees.

(N) *Special Provisions regarding Compliance with National Labor Relations Board Orders.* If this Agreement provides for making any purchase of goods or services from a private entity, except for a purchase of goods by credit card for an amount less than \$2,500 from any one Contractor (but not to exceed in the aggregate \$7,500 per year from the Contractor), no more than one, final unappealable finding of contempt of court by a federal court has been issued against Contractor within the immediately preceding two-year period because of Contractor's failure to comply with an order of a federal court requiring Contractor to comply with an order of the National Labor Relations Board. Contractor swears under penalty of perjury that this representation is true.

(O) *Special Provisions regarding Compliance with the Child Support Compliance Act.* If Contractor is a private entity, and this Agreement provides for Compensation of \$100,000 or more:

(1) Contractor recognizes the importance of child and family support obligations and fully complies with all applicable state and federal laws relating to child and family support enforcement, including, but not limited to, disclosure of information and compliance with earnings assignment orders, as provided in Chapter 8 (commencing with section 5200) of Part 5 of Division 9 of the Family Code; and

(2) Contractor provides the names of all new employees to the New Hire Registry maintained by the California Employment Development Department.

(P) *Electronic Waste Recycling Act.* If this Agreement provides for the purchase or lease of covered electronic devices under the Electronic Waste Recycling Act of 2003, Public Resources Code sections 42460 et seq., Contractor complies with the requirements of that Act, and Contractor maintains documentation and provides reasonable access to its records and documents that evidence compliance.

(Q) *Special Provisions regarding Discharge Violations.* If this Agreement provides for the purchase or supplies, goods, or services in exchange for compensation of \$25,000 or more, Contractor is not in violation of any order or resolution not subject to review and promulgated by the State Air Resources Board or an air pollution control district; subject to any cease and desist order not subject to review issued under Water Code section 13301 for violation of waste discharge requirements or discharge prohibitions; a party that has been finally determined to be in violation of provisions of federal law relating to air or water pollution.

(R) *Jury Duty.* For actual jury service, Contractor's regular employees receive the amount of their regular pay and benefits for no fewer than five days annually, except to the extent Contractor's policies on jury service provide for that amount to be reduced (i) by any juror fees and costs actually reimbursed, and (ii) pro rata for employees who work less than on a full-time basis.

1.2 Covenant as to Representations and Warranties.

Contractor shall cause its representations and warranties to remain true during the Term. Contractor shall promptly notify the COURT if any representation and warranty becomes untrue.

2. Indemnity

Contractor shall indemnify and defend (with counsel satisfactory to the COURT's Office of the General Counsel) Judicial Branch Entities and Judicial Branch Personnel against all claims, damages, losses, and expenses, including attorney fees and costs, founded upon (i) Contractor's performance of, or failure to perform, the Services or Contractor's other duties under this Agreement, or (ii) any other breach by Contractor of this Agreement. Contractor's duties of indemnification exclude indemnifying a party for that portion of losses and expenses that are finally determined by a reviewing court to have arisen out of the sole negligence or willful misconduct of the indemnified party.

3. Insurance

3.1 Basic Coverage. Contractor shall provide and maintain at Contractor's expense the following insurance during the Term:

A. *Workers Compensation and Employer's Liability.* The policy is required only if Contractor has employees. It must include workers' compensation to meet minimum requirements of the California Labor Code, and it must provide coverage for employer's liability bodily injury at minimum limits of \$1 million per accident or disease;

- B. *Commercial General Liability.* In addition to any other insurance required under this Agreement, Contractor shall provide and maintain at Contractor's expense Commercial General Liability coverage if this Agreement involves the hazardous activities or any other activity specified in the Judicial Branch Contracting Manual, chapter 8, appendix D, section 11.  - D. *Commercial Automobile Liability.* The policy must cover bodily injury and property damage liability and be applicable to all vehicles used in your performance of Services under this Agreement whether owned, non-owned, leased, or hired. The minimum liability limit must be \$1 million per occurrence, combined single limit.

The retroactive date or "prior acts inclusion date" of any "claims made" policy must be no later than the date that Services commence under this Agreement.
- 3.3 Umbrella Policies.** Contractor may satisfy basic coverage limits through any combination of basic coverage and commercial umbrella liability insurance.

- 3.4 Aggregate Limits of Liability.** The basic coverage limits of liability may be subject to annual aggregate limits. - 3.8 Qualifying Insurers.** For insurance to satisfy the requirements of this section, all required insurance must be issued by an insurer with an A.M. Best rating of A - or better that is approved to do business in the State of California.
- 3.9 Required Policy Provisions.** Each policy must provide, as follows:
- A. *Insurance Primary; Waiver of Subrogation.* The basic coverage provided is primary and non-contributory with any insurance or self-insurance maintained by Judicial Branch Entities and Judicial Branch Personnel, and the basic coverage insurer waives any and all rights of subrogation against Judicial Branch Entities and Judicial Branch Personnel; and
 - B. *Separation of Insureds.* The commercial general liability policy, or, if maintained in lieu of that policy, the commercial umbrella liability policy, applies separately to each insured against whom a claim is made and/or a lawsuit is brought, to the limits of the insurer's liability.

- 3.10 Partnerships.** If Contractor is an association, partnership, or other joint business venture, the basic coverage may be provided by either of the following methods:

4. Default and Remedies

- 4.1 Default.** A default exists under this Agreement if:

 - B. Contractor or Contractor's creditors file a petition as to Contractor's bankruptcy or insolvency, or Contractor is declared bankrupt, becomes insolvent, makes an assignment for the benefit of creditors, goes into liquidation or receivership, or otherwise loses legal control of its business;
 - C. Contractor makes or has made under this Agreement any representation or warranty that is or was incorrect, inaccurate, or misleading;
 - D. Any act, condition, or thing required to be fulfilled or performed by Contractor to (i) enable Contractor lawfully to enter into or perform its obligations under this Agreement, (ii) ensure that these obligations are legal, valid, and binding, or (iii) make this Agreement admissible when required is not fulfilled or performed.

- (3) Exercise, following notice, the COURT's right of early termination of this Agreement as provided below; and

B. *Remedies Cumulative.* All remedies provided for in this Agreement may be exercised individually or in combination with any other available remedy.

5. Termination and Cancellation; Effect of Expiration or Termination

- B. The COURT may also cancel delivery immediately of all or any portion of unshipped Goods or limit Contractor's Services, and, proportionately, Contractor's compensation except to reimburse Contractor for its actual costs incurred before expenses arising out of early termination by the COURT, and any direct and indirect expenses incurred by cancellation of Goods in process that are custom made for the COURT), if:
 - (1) the COURT determines that having Contractor provide the Services has become infeasible due to changes in applicable laws or regulations; or
 - (2) expected or actual funding to compensate Contractor is withdrawn, reduced, or limited.
- C. The COURT may terminate this entire Agreement, with or without cause, by giving Contractor 30 days' notice.
- D. This entire Agreement will terminate immediately without further action of the parties upon the death, or temporary or permanent incapacity, of a natural person who is a party to this Agreement or a general partner of a partnership that is a party to this Agreement.

5.2 Effect of Expiration and Early Termination; Survival.

- (1) The COURT may assign the COURT's rights and duties to any Judicial Branch Entity. The COURT shall notify Contractor in writing within 30 days following the assignment.
- (2) Either party may assign its rights and duties or subcontract portions of this Agreement to a third party if the non-assigning party gives advance written consent to the assigning party. Consent may be withheld for any reason or no reason. If a non-assigning party does consent, the consent will take effect only if there is a written agreement between the assigning or subcontracting party and all assignees and subcontractors, stating the assignees and subcontractors:

- (a) are jointly and severally liable to the non-assigning party for performing the duties in this Agreement of the assigning/subcontracting party;
- (b) affirm the rights granted in this Agreement to the non-assigning party;

If this Agreement is funded in whole or in part by the federal government, then:

Sec. 15) or under the Cartwright Act (Chapter 2 (commencing with Section 16700) of Part 2 of Division 7 of the Business and Professions Code), arising from purchases of goods, materials, or services by Contractor for sale to the COURT pursuant to the bid. Such assignment shall be made and become effective at the time the COURT tenders final payment to the Contractor. (GC 4552)
- B. If the COURT receives, either through judgment or settlement, a monetary recovery for a cause of action assigned under this chapter, the Contractor shall be entitled to receive reimbursement for actual legal costs incurred and may, upon

(GC 4554)

A party's specific waiver does not constitute a waiver by that party of any earlier, concurrent, or later breach or default.
- 8.13 Authority and Binding Effect.** Each party warrants it has the authority to enter into this Agreement, it may perform the services provided for in this Agreement, and its representative who signs this Agreement has the authority to do so.
